TechGYRLS is a youth empowerment program designed to raise girls' interest and confidence in the critical areas of science, technology, engineering, arts and mathematics (STEAM). The TechGYRLS program will help young girls ages 9-14 develop the usage of technological tools, critical thinking and problem-solving skills in any profession they pursue.

## TechGYRLS — 2017 Digital Vision Board

**TechGYRLS will create a digital vision board using Adobe After Effects!**

It will be a powerful visualization tool representing goals and dreams by videos, pictures and inspirational phrases. The digital vision boards will help your TechGYRL focus on and achieve life goals that make them feel happy and fulfilled.

**Let's kick off 2017 with a vision of what TechGYRLS want to accomplish this year!**

**Session Dates: Saturdays, 1/21—3/18**

Annual Registration Fee \$40

\*does not include camps or special sessions

**Registration required: Call 773-496-5645 or email [techgyrls@ywcachicago.org](mailto:techgyrls@ywcachicago.org)**
