

A Director's Guide to Gateways Registry Resources for **IDHS CCAP Training Requirements**

Are you the director or administrator of a child care center that receives payment for providing care to children through the IDHS Child Care Assistance Program (CCAP)?

Are you working to help ensure your program meets the **9/30/17 IDHS CCAP Training Requirements**?

If so, this webinar is for you!

The Gateways Registry has several resources to help you track progress toward meeting these requirements, including a **new program-level report**.

You will learn how to use the Gateways Registry Director Portal to:

- Maintain an up-to-date staff listing
- Access the new program-level IDHS CCAP Training Requirements report
- Troubleshoot with staff if requirements are not listed as being met

This live webinar is being offered for 1 hour of Registry-approved credit. To receive credit, you must register and attend individually. Choose from one of the following dates/times:

Wednesday, August 23 from 1:00pm-2:00pm
