@YWCAChicago
YWCA Metropolitan Chicago is one of the oldest and largest human services organizations in the region, with a mission to eliminate racism, empower women and promote peace, justice, freedom and dignity for all. For more than 145 years, we’ve been serving the evolving needs of individuals and families.

Today, we serve tens of thousands of Chicagoans across the city as well as Cook, DuPage, Grundy, Kane, Lake and Will counties. We offer programs and services focused around Safety and Wellness, Education and Training, and Economic Empowerment. We provide support, tools and opportunities to help those we serve transform their lives and make valuable contributions to their communities.
